WHAT TO BRING

- The best winter snow boots you can afford. We recommend snow boots with a liner that can be removed each night to completely dry out.
- Winter cold clothing. We recommend wool where possible. Plus, something that can break the wind while traveling by snow machine or sleigh. Some like a snowmobile suit if you have it.
- Wool gloves and mitts big enough to wear over your gloves. Extra pairs of gloves are also recommended.
- A face shield, and helmet if you have them.
- A bush bag with fool proof ways of making fire and any other survival gear. Ferrocerium rod, waterproof matches etc.
- A snowmobile if you have one or tracked quad if that is what you use. It is not mandatory that you have one.
- A pair of linesman pliers for cutting wire and making sets if you have them, or any other trapping tools you would like to bring along, e.g., trap setters, safety grippers etc., (these are not mandatory).
- We will be staying at the Teen Time Ranch facility but you will need to bring your own bed roll to stay during the week.
- All meals are taken care of at the facility as well.

You may be out in the worst of weather at the coldest time of year so plan for the worst and hope for the best is the best saying.

Better to have it and not need it than to need it and not have it.

If you have any questions on this, you can contact our office in Westlock for help.

We look forward to having you out on the trapline with us.
